
JASON KUAN

PROFILE

I am Jason - a software engineer in the making. I like making software, generally following agile principles. A hobbyist in iOS development, and enjoy playing around with my RaspberryPi and Arduino. A huge Apple nerd, owning pretty much all products made by apple.

EXPERIENCE

SERVER - NOT THE COMPUTER KIND, RESTAURANT BRANCH – 2010 - PRESENT

I am a graduate, in search of my first industry job within Software Engineering. I have no experience, but that doesn't matter. If you are willing to hire the perfect employee, then you know what to do. Contact details are below ...
